

Ready for your photo session

A little preparation, more room for real moments.

What to wear

Choose soft pastels or earth tones: cream, beige, sage, olive and terracotta. Coordinate colours without matching every outfit. Avoid large logos and neon colours. Bring a warm layer for Calgary weather.

Before you arrive

Check the location and parking details in your confirmation email. Plan to arrive 10 minutes early so you have time to settle in. Parking availability and fees vary by location. If you arrive late, we use the remaining time in your booked slot; your session does not automatically extend. Running late? Message [@pashynska.photo](https://www.instagram.com/pashynska.photo) as soon as possible.

What to bring

Pack water, lip balm and a hairbrush. For children, bring a small snack and a favourite toy. Keep bags light so you can move comfortably during the session.

During your session

You do not need to know how to pose. I will guide you with simple prompts. Stay close, move naturally and give children room to play. Let me know beforehand about any accessibility needs or special requests.
